

## CIES Africa SIG Call for Papers

**Jambo, Maakye, Moreme, and Diamengam** from the CIES Africa Special Interest Group!

As you are aware, the 58th annual CIES conference will be hosted in Toronto, Ontario on March 10-15, 2014 at the Sheraton Centre Hotel.

We know you are hard at work on your proposals for the following deadlines:

- Early bird submission deadline: **October 4th, 2013** (strongly encouraged)
- Final submission deadline: **October 25th, 2013**

The Africa SIG will sponsor 2 highlighted sessions at CIES 2014 conference, and we are interested in collaborating with subject-based SIGs.

We seek individual papers, panel, and poster proposals that engage with the conference theme: "Revisioning Education for All." We encourage papers using a variety of epistemological, methodological, and theoretical perspectives, and encourage work by practitioners and researchers based both in Africa and around the world.

We would like to encourage **poster submissions**, which are an excellent way to present work and engage in dialogue with others. In addition, **group panel proposals** (of up to 4 individual presentations) will be considered. Proposals that are not accepted for the Africa SIG will be reviewed for inclusion in the conference's general pool.

Please refer to the conference's general call for papers for proposal guidelines and access to the online proposal submission system: <http://convention2.allacademic.com/one/cies/cies14/> In order to submit a proposal to all SIGs, you are required to be a dues-paying member of the SIG (\$10 USD). SIG membership is \$10 and the dues can be paid at <https://subfill.uchicago.edu/JournalPUBS/Donation.aspx?webpub=cernale>. Alternatively, you may pay \$10 in dues when you register for the 2014 conference through the online registration system. We invite all CIES members to join the Africa SIG at the time of conference registration.

We look forward to receiving and reviewing your conference proposals. For more information about the Africa SIG, please contact the Board Members at [africasig.cies@gmail.com](mailto:africasig.cies@gmail.com).

See you in Toronto!
